Kindly provide proof in the data entered. The HEI to provide list if the departments signed by the principal. The HEI data is not consistent with the data on its website. HEI to provide the web link of the departments in the University. HEI must ensure that the web links are operational and lead to the department specific data consistent with the claim.</p>	<p>It is submitted that there are 28 departments running successfully at Mata Gujri College, Fatehgrah Sahib. The difference in the HEI input and DVV suggested input is due to a forced error which College had to make while filling the IIQA, as the pre-set format of IIQA didn't allow the College to give information of its six departments, as these departments were not offering 'independent' UG or PG programmes. This issue was reported by the College on NAAC portal on February 22 and 23, 2021. The official website of the College shows all its 28 departments. Kindly consider the changed input of 28 departments in consistence with the DVV suggested input.</p> <p>Supporting Document:</p> <p><a href="#">1.2. EP.pdf</a></p>	DVV Suggestion Recommended
